Heart of the Moment

"Timing is so crucial in life, in everything you do. Photography has so much to do with timing; everything conspiring together to make a perfect picture."

Lord Lichfield

Throughout a distinguished career that spanned more than forty years, Lord Lichfield gained international renown for creating many iconic images. His undisputed talent encompassed a variety of photographic styles including Royal, fashion, portraiture, wildlife and advertising.

The Arthur Price Lichfield Collection is inspired by this great photographer and all our silver plated frames proudly bear his name. The range epitomises the refined quality and understated elegance that you'd expect from the UK's most desirable home accessories brand.

There are eleven eye-catching frame designs to perfectly complement your home or work place. Our frames also make ideal gifts.
